

## **Fortnightly News Update**

**3 June 2022**

### **SOME NEW ADDITIONS AT THE CLUB**

The Club has purchased air purifying equipment which has been installed in each of the halls, in the book workroom, in the Anne Murray room and in the admin office. Now that it is WAY too cold to have doors and windows open for air circulation, these units will be invaluable in keeping us safe while we are using the Club facilities. They are quite silent, circulate large volumes of air and filter out even very fine particulates such as dust and mould as well as bacteria and odours.

Below – President displaying skill in the removal of packing tape, and the MahJong players look happy to be breathing filtered air.

### **FROM THE CRAFT GROUP**

The Thursday craft group is primarily a knitting and crocheting group.

For the last three years we have been knitting for the charity ROUNDABOUT CANBERRA who provide baby and children's items to families in need. They always need jumpers, cardigans, beanies, scarves and rugs. If you would like to help we would be happy to pass on your knitted contributions – but note WE DO NOT NEED ANY DONATIONS OF WOOL. We knit for kids 4 years to 8 years..

Cheers, Sue.

There seems to be as much laughing as knitting going on here! and some of our knitted items from our group on display at Roundabout .

## **Queen's Birthday Public Holiday**

A reminder that the Club will be closed on Monday 13 June for the Queen's Birthday Public Holiday.

**A bit of black humour today.....**

**NOW YOU SEE ME... NOW YOU DON'T**

There is a knock on St. Peter's door. He looks out and a man is standing there. St. Peter is about to begin his interview when the man disappears.

A short time later there's another knock. St. Peter gets the door, sees the man, opens his mouth to speak, and the man disappears once again.

"Hey, are you playing games with me?" St. Peter calls after him.

"No," the man's distant voice replies anxiously. "They're trying to resuscitate me."
