DON'T FORGET THE FETE ON THE 1ST MAY

The clubs annual Fete is fast approaching, as this is our main fundraising activity we really need your help. We are looking for donations of cakes, groceries, craft and goods for the white elephant stall.

Please be generous and support you club. Come and be part of this great day.

It has been suggested that we host a "Christmas in July" lunch as a fund raising activity. If there is enough interest we will be holding this event on the 22nd July. We will keep you informed.

The dishwasher has been fixed. Could members please follow the instructions carefully as misuse has resulted in costly repairs.

Due to heavy rain over the Easter Weekend we developed a leak in our ceiling. This problem has been rectified, and hopefully won't occur again.

An organisation called "Music Plus" gave the committee a short talk on a programme they would like to start at our club. This relates to music and movement and sounds very interesting. "Music Plus" will be sending us more details, and we will pass them on to you.

The Southern Cross Club in conjunction with our club is considering offering half day bus excursions around Canberra. These trips could include, shopping, bingo or sightseeing etc, and would conclude at the

Southern Cross Club for a light lunch. The cost will be approximately \$5, which would be an affordable day out. We will keep you posted.

Pat Cummins has informed me that "Home Help" is becoming more difficult to obtain, so if you are eligible for this service you should speak to Pat soon.

Myra Hicky thanks members for donating greeting cards, she has enough at the moment and will let us know when she needs more.

OBITUARY

We have lost two members this month, we send our condolences to their family and friends.
