CHRISTMAS IN JULY LUNCHEON

Keep Wednesday the 21st July free for a fabulous Christmas in July feast, get rid of those winter blues and come along to a great event. Jean Craven has again agreed to coordinate this function. Jean has just finished coordinating our annual fete which was a great success, my thanks go to Jean for her tireless efforts on behalf of the club.

I would also like to thank everybody who donated their time and enthusiasm to the annual fete, and to all those who donated goods and money. Thanks everybody.

Club membership fees are due in June, please don't forget. Car stickers will now cost \$5 per annum, these will be issued with membership subscriptions. Remember subscriptions are essential to the running of the club.

Pat Cummins (H.A.C.C officer) has informed the committee that the list for home help has been closed for the time being. Pat will be on leave from the 7th June to 11th June.

We are providing the club with two special bins for re-cycling, these bins will be placed near the kitchen. One bin will be exclusively for paper and the other for glass, tin and plastic. Could all members please ensure that all rubbish is recycled properly, these bins will be emptied into the larger bins outside the kitchen door.

Elsa Martensen will continue selling clothes and bric- a- brac on a Thursday, and a sale table will be set up for the craft group. Proceeds will benefit the club.

Sick List

Get Well cards were sent to the following members, Laddie Hendley, Selina Ward and Liisa Hentila

Obituary

Francis Shurman a member of the New-Vogue dance group passed away recently, our condolences go to his wife Beryl.
